WHAT WE OFFER

WHAT WE OFFER

FRIENDLY FINANCING

Ultimate Games S.A. specializes in allocating financial resources for projects that have successfully transitioned beyond the **pre-production** phase and are currently in the development stage.

Our comprehensive funding model ensures that developers are exempt from incurring any ancillary expenses, a critical factor for emerging talents in the industry. Moreover, alongside the provision of capital, we offer creators a predetermined percentage of the game's net profits, coupled with opportunities for ongoing project advancement.

WHAT WE OFFER

PUBLISHING

We provide a gateway for game developers to feature their creations on the largest digital storefronts globally, collaborating with platforms like **Steam**, **Epic Games**, **Microsoft Xbox**, **Sony PlayStation** or **Nintendo Switch**.

We also specialize in porting games for various consoles, offering developer-friendly terms that cover all porting, marketing, and publishing costs, with a profit-sharing arrangement post-cost recovery.
